(4) *Disposition of less than entire interest.* If a partner sells or exchanges a part of his interest in a partnership, or if the interest of a partner is reduced, the partnership taxable year shall continue to its normal end. In such case, the partner's distributive share of items which he is required to include in his taxable income under the provisions of section 702(a) shall be determined by taking into account his varying interests in the partnership during the partnership taxable year in which such sale, exchange, or reduction of interest occurred.

(5) *Transfer of interest by gift.* The transfer of a partnership interest by gift does not close the partnership taxable year with respect to the donor. However, the income up to the date of gift attributable to the donor's interest shall be allocated to him under section 704(e)(2).

(d) *Effective date.* The rules of this section are applicable for taxable years ending on or after May 17, 2002, except for paragraph (c), which applies for taxable years beginning after December 31, 1953.
